

The AMG Line demonstrates the athletic qualities of the A-Class in typical AMG form: AMG bodystyling includes an AMG front apron with chrome front splitter, AMG side sill panels and an AMG rear apron with chrome trim and visible exhaust tailpipes. The diamond radiator grille is finished with chrome pins and a single louvre, while 18" AMG 5-twin spoke alloy wheels create a powerful stance. Further highlights of the AMG Line interior

include ARTICO man-made leather and DINAMICA microfibre upholstery, DINAMICA microfibre door lining, plus the option of a longitudinal-grain aluminium trim. The 3-spoke nappa leather multifunction sports steering wheel with a flattened bottom section and perforated grip area takes its inspiration from motor racing.
