

E-Class AMG Line

E-Class Estate shown above features optional Premium Plus equipment line (code PYO) and Driving Assistance Plus package (code P20)

The E-Class AMG Line – for Saloon and Estate models – takes its cues from our AMG performance experts, focused on sporty design as well as athletic handling. 19" AMG 5-twin spoke alloy wheels painted titanium grey feature, as does AMG bodystyling for front and rear apron and side skirts, plus privacy glass for rear side windows and rear windscreen. Perforated brake discs with ‘Mercedes-Benz’ lettering complement the look of the AMG Line. Inside, you’ll find a 3-spoke multifunction AMG steering wheel in black nappa leather with flattened bottom section, chrome inserts and touch-control

buttons. Further interior highlights are AMG sports pedals with rubber studs, upholstery in ARTICO leather¹/DINAMICA microfibre, plus open-pore ash wood trim and centre console in black.

AMG Line upgrade – designed and priced as a package, including additional luxury items as listed below.
